Brain Power!

Through our partnership with the Pennsylvania Downtown Center, we will be offering several workshops for our downtown businesses and your employees in the coming months.

Visual Merchandising Workshop will address curb appeal, window and in-store displays, and much more!

Downtown Friendly—The hospitality workshop will cover more than smiling and warm hello's! We'll give you tools to assist visitors when they ask questions like "where can I find a good cup of coffee" or "what is there to do in town".

Registration information will be available shortly for the sessions. Hope to see you there!

Clean Up Planned

The second annual **Clean Sweep Saturday** will be held on May 22nd. We'll be out with brooms, window cleaner and trash bags sprucing up downtown for the summer season. Let's red-up the entire community and prepare for visitors to our home!
