

OUR TOWN COOPERATIVE, INC.

RECEIVES 2010 NATIONAL MAIN STREET PROGRAM ACCREDITATION

Canonsburg, Pennsylvania June 17, 2010 —Our Town Cooperative, Inc. (OTC) has been accredited as a 2010 National Main Street Program for meeting the commercial district revitalization performance standards set by the National Trust Main Street Center®. Though Our Town Cooperative joins hundreds other Main Street™ revitalization programs being recognized as 2010 National Main Street Programs in the U.S. they are only 1 of 57 out of 100 communities in PA.

Each year, the National Trust Main Street Center and its coordinating program partners announce the list of accredited National Main Street Programs around the country that have demonstrated their ability to follow the Main Street methodology.

“We congratulate this year’s accredited National Main Street Programs for meeting our established performance standards,” says the director of the National Trust Main Street Center. “Rebuilding a district’s economic health and maintaining that success requires broad-based community involvement and support, in addition to establishing a solid organization with sound management that is committed to long-term success.”

The National Trust Main Street Center works in partnership with Coordinating Main Street Programs throughout the nation to identify the local programs that meet the National Trust Main Street Center’s ten basic performance standards. These standards set the benchmarks for measuring an individual Main Street program’s application of the Main Street Four-Point Approach™ to commercial district revitalization. Evaluation criteria determines the communities that are building comprehensive and sustainable revitalization efforts and include standards such as developing a mission, fostering strong public-private partnerships, securing an operating budget, tracking economic progress, and preserving historic buildings. The organization’s performance was evaluated by Pennsylvania Downtown Center (PDC), located in Harrisburg, Pennsylvania, which is the coordinating organization for Main Street programs in Pennsylvania.

“We are still fairly new in the downtown revitalization process,” states Nadeen Steffey, OTC’s Main Street Manager. “We are honored to be among the Main Street programs in the commonwealth to have received this accreditation which we would not have received without the support of the community, our partners, and the volunteers who are vital to a successful downtown revitalization program.”
